

Last update: after Mid-GMM February 2022

1) Honorary members

1.1 To make Kris a Honorary member: This is proposed by Board 3, because they all think that she did a lot this year for SABA and she did more than one person should have done for SABA. (GMM 2019)

2) Clothes

2.1 You can choose your own way of wearing your tie, because you can express yourself the way you want to. This will only be for CoBo's and Drinks. This will not be for career events and not for board pictures and also not at the GMM. (GMM 2019)

2.2 If the board decides to drop new merch, they first must ask some SABA members, a counsel, to judge the merch objectively on quality and looks. (Mid-GMM 2021)

3) Parties

3.1 The board members will have to dress as their direct predecessors for the carnival party organized by SABA. (Mid-GMM 2020)

4) (Mid-)GMM

4.1 Board must chug a beer after closing the half-yearly GMM to see if the board members have made progress (with regards to speed). (Mid-GMM 2020)

4.2 When a person wants to file a motion, this person has to be at the GMM in person. Otherwise the motion cannot be considered. (Mid-GMM 2020)

4.3 If a board member decides to use any 'machtiging' during the GMM, the person in question should chug 1 beer (with a maximum of 1 chug per board member). Since this is a coward practice which demotivates our members from attending the GMM in person. Power to the people! (Mid-GMM 2021)

4.4 The board has to chug a beer at the end of every GMM and track their times.

4.5 the board has to give a presentation about the data of their chugging performances during the every GMM using data analytics.

5) House rules

5.1 The number of house rules always have to remain 69, due to the fact that 69 is a very handy number, since 69 is divisible by both 3 and 23. This number must be maintained by combining or splitting articles. (Mid-GMM 2020)

6) B.A.R.

6.1 The board must take concrete steps that serve to improve the hygiene and cleanliness of the B.A.R. (Mid-GMM 2020)

6.2 Noting the importance of Ruurd in both the GMM and in SABA all together a picture of Ruurd will be hung behind the bar in the B.A.R. which can't be removed. (GMM 2020)

6.3 The small cabinet in the B.A.R., behind the bar, will be called the W. K. Bakers minibar. However, if Willem ever brags about this he must be penalized with one immediate chug. (GMM 2020)

6.4 SABA will start selling Flugel at the B.A.R., if the VU allows. (Mid-GMM 2021)

6.5 Since Willem enjoys chugging a beer for penalty (3.7). From now on, Willem will have to be seated on all fours and be fed a drink by the highest ranked person (according to the ranking rules of QBDBD) in the room. (Mid-GMM 2021)

7) Board members

- 7.1 If a board member does not finish their ice bottle before the end of the song (“ice ice baby”) the penalty will be; the whole board must chug a beer. (GMM 2020)
- 7.2 For any other SABA Member we encourage them to chug a beer themselves alone. (GMM 2020)
- 7.3 Noting that most of the online drinks are very awkward to begin with, the board should start these drinks with chugging a beer. As this would lighten up the mood of everybody who takes part in this activity. (GMM 2020)
- 7.4 If there are absent members of the board the members that are present should chug a number of beers which is equal to the number of absent members. These beers can be shared between the board members. This would ensure that the whole board will attend more activities. This motion does not apply to sober and sober lights duties. (GMM 2020)
- 7.5 If there isn't a carnival party (no matter what the reason may be) the board should still dress up as their predecessor and post a picture of this on the social media of SABA(Instagram). (GMM 2020)
- 7.6 On Easter Sunday, a picture will be posted on the social media channels of SABA, on which the following can be seen: The chair(wo)man of the association wearing an Easter Bunny costume. (Mid-GMM 2021)
